Definitions

Gross Income means the total of all billings generated by you from all areas of practice for **which you require medical indemnity cover** for the Policy Period (in your name or for which you are personally liable), including without limitation:

- i) Medicare benefits; and
- ii) payments by individuals, the Commonwealth Department of Veterans' Affairs, workers' compensation schemes and third party and/or vehicle insurers; and
- iii) income earned for medical practice overseas that is covered by the Policy whether retained by you or otherwise and before any apportionment of any expenses and/or tax.

If as part of practice, you derive income from any other sources (such as professional fees, incentive payments, etc) this income must be included in the declaration of Gross Income.

Public Patient means an individual to whom the Insured provides health care treatment, advice or service under the terms of an agreement with a public hospital (within the meaning of the *Health Insurance Act 1973*), an area health service or a State or Territory Government, unless the agreement or the billing process has the effect of not classifying the individual as a public patient.

Important Notices in relation to the PSS

If at any time you elect to participate in the PSS for the premium period:

- you consent to MIGA receiving payments of PSS subsidy on your behalf
- you must provide MIGA with a statutory declaration as to your Actual Income no later than 12 months after the end of the Policy Period
- if you receive a PSS subsidy for the 2022/2023 Policy Period and you do not comply with this requirement, you must repay any PSS subsidy received. In the event you do not repay a PSS subsidy as and when it falls due, you will not be eligible to participate in the PSS and it may affect your entitlement to insurance from MIGA, both now and in the future
- you must notify MIGA in writing immediately if your circumstances change during the Policy Period or if you become aware that the information on which your Estimated Income was calculated is incorrect
- by providing information on Estimated Income and Actual Income as those terms are defined under the PSS you consent to the personal information contained in this Form being used for the purposes of information sharing and audits under the PSS
- your eligibility may be terminated for any non-payment of a Run-Off Cover Scheme payment that you are liable to pay
- overpayment of a PSS subsidy (for any reason) will result in you having a liability to pay to MIGA an amount for any underpaid premium (or other costs of obtaining medical indemnity cover) that result from MIGA returning the amount of the overpayment to the Department of Human Services
- where information you provide to MIGA is inaccurate or changes and requires an adjustment to your entitlement to a PSS subsidy of less than \$100.00, you consent to MIGA not processing such an adjustment midterm.

If you do not elect to participate in the PSS now, MIGA will not reduce your premium by any PSS entitlement you may have. You can elect to participate in the PSS later; but

- if you wish MIGA to calculate your entitlement based on your Estimated Income, you must provide those details to MIGA in a timely manner so that MIGA can make an application for PSS on your behalf no later than 2 months after the end of the Policy Period; or
- if you wish MIGA to calculate your entitlement based on your Actual Income, you must provide those details to MIGA within 12 months after the end of the Policy Period.

Irrespective of when you elect to participate, you must comply with the Important Notices in relation to the PSS detailed above.

Regardless of whether you are entitled to, or receive a PSS subsidy, you remain liable at all times to MIGA for payment of the full premium.

Note: MIGA is required under the terms of the Medical Indemnity Act 2002 to provide upon request to the Commonwealth Department of Health and Services Australia, any information that you provide (including any information in this Form) that may be relevant to determining an entitlement to an indemnity or subsidy scheme payment under that legislation.
