In the event that the Insured is not entitled to indemnity, any Expenses advanced to the Insured and any interest chargeable will be repaid by the Insured to Medical Insurance Australia on such terms and conditions as are specified by Medical Insurance Australia.

Part B – General Expenses

1.7 General Expenses

Medical Insurance Australia will indemnify the Named Insured against Expenses incurred in relation to any of the following matters that arise from Practice after the Retroactive Date, the circumstances of which are first notified to Medical Insurance Australia in writing during the Period of Insurance:

- (b) complaints or proceedings pursued or defended by the Named Insured in relation to a contract entered into by the Named Insured for the provision of services as a visiting medical practitioner; and

Note: Clause 4.13 explains the effect of a costs-inclusive Deductible.

Under Clause 4.9(b), any Sub-Limit of Indemnity applies to each claim and to all claims under the sub-limited paragraph.

1.8 Advances

In respect of the cover provided by clause 1.7, Medical Insurance Australia may advance Expenses to the Named Insured prior to the completion (including any appeal) of any proceedings or other matters covered by clause 1.7, on such terms and conditions as Medical Insurance Australia sees fit, and having regard to its assessment as to whether the Insured has reasonable prospects of success in relation to the matter. In the event that the Named Insured is not entitled to indemnity any Expenses advanced to the Named Insured and any interest chargeable will be repaid by the Named Insured to Medical Insurance Australia on such terms and conditions as are specified by Medical Insurance Australia.

Conditions Applicable to Section 2

1.9 Preconditions to cover

Medical Insurance Australia will not be liable to meet any Expenses under Division 1 Section 2 in relation to any matter instigated by the Insured (including an appeal or the defence of an appeal against a judgment or decision of a court or tribunal) unless:

- (a) in the case of an appeal or response to an appeal, the Insured has given Medical Insurance Australia 7 days' written notice prior to first making the appeal or lodging any defence or response to the appeal;
- (b) in any other case, the Insured has given Medical Insurance Australia 28 days' written notice prior to first taking any steps in the proceedings or issuing any process; and
- (c) in each case, Medical Insurance Australia has formed the opinion that there are reasonable prospects of success in relation to the matter.

If Medical Insurance Australia has not formed an opinion as required by paragraph (c) prior to the time on which an appeal must be made, a defence lodged, a response made to an appeal or the time by which the first steps in proceedings or the issue of process must be done then Medical Insurance Australia will not be taken to have formed a favourable view unless it does so subsequently.

1.10 Criminal convictions

If the Insured is found guilty of, or admits, any crime then the cover provided by Division 1 Section 2 will not apply to that Insured (including in relation to any appeal) and any moneys advanced by Medical Insurance Australia under this provision (together with any applicable interest) will immediately become due and payable to Medical Insurance Australia.

1.11 Representation

Medical Insurance Australia may, at its absolute discretion, direct that the Insured retain a lawyer, nominated by Medical Insurance Australia, to act on behalf of the Insured in relation to circumstances that may give rise to an entitlement to indemnity under Division 1 Section 2, in which event the Insured will retain the nominated lawyer to act on its behalf and will provide all information, documents and assistance reasonably required by the lawyer.

1.12 Reasonable prospects of success

Medical Insurance Australia may, at its absolute discretion, elect not to indemnify the Insured for the whole or part of its Expenses if the Expenses relate to a matter that may give rise to an entitlement to indemnity under Division 1 Section 2 and which Medical Insurance Australia believes the Insured is more likely than not to be unsuccessful in pursuing or defending. In the event that Medical Insurance Australia makes such an election, Medical Insurance Australia will indemnify the Insured for its Expenses that relate to such matter up to the date of the election but if the Insured successfully pursues or defends the matter Medical Insurance Australia will indemnify the Insured for such part of its Expenses as is reasonable having regard to the Expenses incurred, the outcome sought by the Insured and the actual outcome of the matter.

Division 2

Automatic Extensions

2.1 Preamble

Unless otherwise expressly provided, for each clause in this Division that is listed as included in the Schedule, Medical Insurance Australia agrees to provide indemnity against:

- (a) legal liability for any Claim first made against the Insured and first notified to Medical Insurance Australia in writing during the Period of Insurance that arises from Practice (or an act or advice referred to in clause 2.2) after the Retroactive Date; and
- (b) Expenses incurred in defending or responding to any matter referred to in clause 1.5 or clause 1.7 that arises in connection with Practice (or an act or advice referred to in clause 2.2) after the Retroactive Date, the circumstances of which are first notified to Medical Insurance Australia in writing during the Period of Insurance.

2.2 Good Samaritan Acts and Gratuitous Advice

- (a) Medical Insurance Australia agrees to indemnify the Named Insured against legal liability for any Claim and against Expenses incurred in relation to:
 - (i) Gratuitous Advice given within the Commonwealth of Australia;
 - (ii) Gratuitous Advice given outside the Commonwealth of Australia, where the Named Insured is outside the Commonwealth of Australia for the purpose of Practice for no more than 120 days during the Period of Insurance; or
 - (iii) a Good Samaritan Act occurring anywhere in the world.
- (b) Medical Insurance Australia agrees to indemnify any Employee against legal liability for any Claim and against Expenses incurred in the course of his or her employment in relation to a Good Samaritan Act which occurs:
 - (i) within the Commonwealth of Australia; or
 - (ii) outside the Commonwealth of Australia, where the Employee is accompanying the Named Insured, who is outside the Commonwealth of Australia for the purpose of Practice for no more than 120 days during the Period of Insurance.

Note: Employees are covered for Good Samaritan Acts occurring anywhere in the world except the United States of America.

2.3 Vicarious liability

Medical Insurance Australia agrees to indemnify the Named Insured and any Insured Entity against legal liability for any Claim in respect of which they are vicariously liable for any act, error or omission committed or alleged to have been committed by:

- (a) another Insured in the course of Practice;
- (b) an employed medical practitioner, contractor or locum in the course of providing health care treatment, advice or service:
 - (i) that he or she is employed or contracted by the Named Insured or an Insured Entity to undertake;
 - (ii) for which he or she is registered, if required by law to be registered by a medical board; and
 - (iii) that is within the Category of the Named Insured or that, in the opinion of Medical Insurance Australia, is in a lower risk Category; and
- (c) a non-employed health care professional under direct supervision, training or mentoring by the Named Insured in the course of providing health care treatment, advice or service within the Category of the Named Insured.

No cover is provided under paragraph (b) above unless the employed medical practitioner, contractor or locum provided the Named Insured with written evidence of insurance covering that treatment, advice or service when he or she was first employed or contracted and subsequently when any material change to his or her practice occurred and when his or her insurance was due for renewal.

For the purposes of this clause:

- a contractor means a person who was not an Employee at the time of the act, error or omission but who provided health care treatment, advice or service in the course of Practice charged for and billed by or on behalf of the Named Insured or an Insured Entity;
- a locum means a registered medical practitioner working under a written contract for services, whose services were charged for and billed by or on behalf of the Named Insured or an Insured Entity and who temporarily performed those services for not more than a continuous period of 6 weeks in any case and for not more than 12 weeks in any 12 month period; and
- a non-employed health care professional means a person who, at the time of the act, error or omission:
 - (i) was a registered medical practitioner, a registered nurse, a registered nurse practitioner or a midwife, respectively, who was neither employed by nor working under a written contract for services with the Named Insured or an Insured Entity and was not in partnership with the Named Insured; and
 - (ii) was required by a college, training institution, medical board or nurses board to be directly supervised, trained or mentored by the Named Insured for the purpose of obtaining, retaining or regaining a recognised professional medical or nursing qualification, award or registration.

Note 1: partnership in this clause has the same meaning as in clause 3.1.

Note 2: employed medical practitioners, contractors, locums and non-employed health care professionals are not insured parties under the Policy.

2.4 Practice outside the Commonwealth of Australia

- (a) Where the Named Insured is outside the Commonwealth of Australia for the purpose of Practice for no more than 120 days during the Period of Insurance, Medical Insurance Australia will indemnify the Named Insured and any Employee who accompanies the Named Insured against legal liability for any Claim which arises from that Practice.
- (b) Where the Named Insured is outside the Commonwealth of Australia for the purpose of Practice for no more than 120 days during the Period of Insurance, Medical Insurance Australia will indemnify the Named Insured only against Expenses incurred in defending complaints to or investigations or proceedings by a medical board, medical tribunal or other body responsible for his or her professional discipline which arises from that Practice.
- (c) Medical Insurance Australia will indemnify the Named Insured and any Employee who accompanies the Named Insured against legal liability for any Claim which arises from the Named Insured's Practice as a team doctor with an Australian sporting team or cultural group that is travelling, competing or performing in the United States of America for no more than 120 days during the Period of Insurance but only in relation to a Claim that is:
 - (i) made by a member of that team or group who is a citizen or a resident of the Commonwealth of Australia; and
 - (ii) brought and maintained in Australia and determined in accordance with the law of a State or Territory or the Commonwealth of Australia.

Note: Cover under paragraphs (a) and (b) excludes Practice in the United States of America. Cover under paragraph (c) for team doctors and their accompanying Employees extends to the United States of America.

2.5 Volunteer Practice

Medical Insurance Australia agrees to indemnify the Named Insured against legal liability for any Claim in respect of Practice by the Named Insured as an unpaid volunteer in the course of any amateur sporting activity, school or community based event, charity work, aid program or disaster response work.

Note: Reimbursement of reasonable incidental expenses for travel, meals and accommodation will not affect cover under this clause.

2.6 Liability for restricting ability to practise

Medical Insurance Australia agrees to indemnify the Named Insured against legal liability for any Claim and against Expenses arising directly from any act, error or omission committed or alleged to have been committed by the Named Insured:

- (a) in the course of directly supervising, training or mentoring a registered medical practitioner who:
 - (i) does not provide health care treatment, advice or service other than within the Category; and
 - (ii) is required by a college, training institution or medical board to be directly supervised, trained or mentored by the Named Insured for the purpose of obtaining, retaining or regaining a recognised professional medical qualification, award or registration; and
- (b) which has the effect of restricting the ability of the registered medical practitioner to provide health care treatment, advice or service in the future.

Medical Insurance Australia's liability under this clause is subject to a Sub-Limit of Indemnity of \$100,000.

Note: Under Clause 4.9(b), any Sub-Limit of Indemnity applies to each claim and all claims under the Policy.

2.7 Medical research and clinical trials

- (a) Subject to paragraph (b), Medical Insurance Australia agrees to indemnify the Named Insured and any Employee acting under the direct control and supervision of the Named Insured against any Claim arising solely out of the Named Insured's role in any medical research or clinical trial as an investigator or co-investigator if the medical research or clinical trial is:
 - (i) approved by a properly constituted human research ethics committee approved and registered by the National Health and Medical Research Council;
 - (ii) conducted in accordance with the requirements of that ethics committee; and
 - (iii) in a field of practice within the Category, or a lower risk Category as determined by Medical Insurance Australia, for which the Named Insured is qualified.
- (b) If the medical research or clinical trial is sponsored by a third party not associated with the Insured (the sponsor), then paragraph (a) only applies if:
 - (i) the Named Insured has an entitlement to indemnity from the sponsor against Claims and Expenses; and
 - (ii) the Named Insured has a liability in excess of its entitlement to indemnity from the sponsor.

2.8 Loss of Documents

Medical Insurance Australia agrees to pay the reasonable costs incurred by the Insured in replacing or restoring Documents in the possession of the Insured if the Documents are destroyed, damaged, lost or mislaid and after diligent search and inquiry cannot be located, on condition that:

- (a) the loss occurs or the Insured first becomes aware of the loss within the Period of Insurance and it is first notified to Medical Insurance Australia in writing within the Period of Insurance;
- (b) the Insured notifies Medical Insurance Australia within 14 days after the date on which the Insured first becomes aware of the fact that the Documents have been destroyed, damaged, lost or mislaid;
- (c) any claim under this clause will be properly supported by accounts and invoices approved by Medical Insurance Australia or a person acting on its behalf;
- (d) for the purposes of this clause, Documents in the possession of the Insured will include those in the possession of a person to whom the Insured entrusted, lodged or deposited the documents in the ordinary course of business; and
- (e) the Documents were at all times within the Commonwealth of Australia prior to their destruction, damage or loss.

Medical Insurance Australia's liability under this clause is subject to a Sub-Limit of Indemnity of \$100,000.

Note: Under Clause 4.9(b), any Sub-Limit of Indemnity applies to each claim and to all claims under the sub-limited clause.

2.9 Advice and advisory assistance

Medical Insurance Australia will provide to the Insured advice and advisory assistance in respect of any cover provided to the Insured under the Policy. Where the Named Insured is in Australia and requires emergency medico-legal assistance, the advice and advisory assistance will be made available 24 hours a day.

2.10 Severability and non-imputation

Medical Insurance Australia agrees that where the Policy insures more than one person, any conduct on the part of any person which would allow Medical Insurance Australia to refuse or reduce its liability to indemnify an Insured will not prejudice the right of another Insured to indemnity under the Policy on condition that the other Insured:

- (a) is entirely innocent of and had no prior knowledge of the matter which entitled Medical Insurance Australia to refuse or reduce its liability; and
- (b) as soon as practicable, upon first becoming aware of any such matter, had provided written notice to Medical Insurance Australia of all known facts in relation to that matter.

2.11 Continuous cover

(a) If:

- (i) a Claim could have first been notified to Medical Insurance Australia under an earlier medical indemnity insurance policy issued by Medical Insurance Australia;
- (ii) the Insured provides Medical Insurance Australia with written notice of the Claim during the Period of Insurance; and
- (iii) Medical Insurance Australia has been the insurer of the Insured under a medical indemnity insurance policy continuously between the date on which the Claim could have first been notified and the date on which the notification was in fact given,

Medical Insurance Australia will treat the notification of the Claim as a notification under the Policy during the Period of Insurance.

(b) If:

- (i) a Claim could have first been notified to MDASA under medical indemnity cover provided to the Insured after 1 July 2000 and before 1 July 2003;
- (ii) the Insured provides Medical Insurance Australia with written notice of the Claim during the Period of Insurance; and
- (iii) the Insured was a financial member of MDASA continuously between the date on which the Claim could have first been notified to MDASA and the date on which the notification was given to Medical Insurance Australia,

Medical Insurance Australia will treat the notification of the Claim as a notification under the Policy during the Period of Insurance.

(c) The terms and conditions of the Policy (including any limits of indemnity and deductible) applicable to a Claim notified under:

- (i) paragraph (a) will be the terms and conditions applicable to the Medical Insurance Australia medical indemnity insurance policy under which the notification could have first been given; and
- (ii) paragraph (b) will be the terms and conditions of this Policy.

2.12 ROCS prescribed events

The Policy expires if any of the circumstances prescribed under the Commonwealth run-off cover scheme (**ROCS**) contained in the *Medical Indemnity (Prudential Supervision and Product Standards) Act 2003*, as amended from time to time and any regulations made under it, occur and, if Medical Insurance Australia was the last provider of medical indemnity cover to the Named Insured, Medical Insurance Australia will provide medical indemnity cover as required by section 26A of the Act for no additional premium.

2.13 ROCS Gap cover

If, during the Period of Insurance, the Named Insured:

- (a) notifies Medical Insurance Australia that the Named Insured has ceased, or intends to cease, private medical practice for a period of more than 12 months (other than on an occasional and gratuitous basis); and
- (b) is not entitled to cover under clause 2.12 and is aged less than 65 years,

Medical Insurance Australia will, in accordance with the *Medical Indemnity (Prudential Supervision and Product Standards) Act 2003*:

- offer to provide cover under the Policy until the end of the Period of Insurance in respect of the Named Insured;
- offer to provide to the Named Insured annually renewable medical indemnity cover for claims that may be made against the Named Insured after the Period of Insurance in respect of prior acts or omissions; and
- if each offer is accepted, will make a further offer of medical indemnity cover for the run-off of the Named Insured's liability so that the total period during which the cover may be renewed is 3 years, starting from the end of the Period of Insurance.

Where the Named Insured has continuously held medical indemnity insurance with Medical Insurance Australia for at least 5 years immediately prior to ceasing private medical practice, Medical Insurance Australia will provide any cover under this clause at a cost of no more than \$50 per annum (plus statutory charges).

Note: Medical indemnity cover provided to the Named Insured as a Medical Student by Medical Insurance Australia or MDASA does not accrue to the calculation of a continuous period of medical indemnity cover.

2.14 Out of pocket expenses cover

Medical Insurance Australia agrees to indemnify the Named Insured against any personal out of pocket expenses incurred with the prior written consent of Medical Insurance Australia, including travel, meal and accommodation expenses, that the Named Insured reasonably incurs in responding to a Claim or a matter referred to in clause 1.5 for which Medical Insurance Australia has agreed to provide indemnity under the Policy.

Medical Insurance Australia's liability under this clause is subject to a Sub-Limit of Indemnity of \$10,000.

Note: This clause does not provide cover for any loss of earnings.

Under Clause 4.9(b), any Sub-Limit of Indemnity applies to each claim and to all claims under the sub-limited clause.

2.15 Run-off cover

- (a) Subject to paragraph (b), Medical Insurance Australia agrees to indemnify the Insured against legal liability for Claims and against Expenses which would otherwise be covered by the Policy, but which are not covered by the Policy solely because they arise from health care treatment, advice or service that is not within the Category, if:
 - (i) the Named Insured was previously indemnified by Medical Insurance Australia for that health care treatment, advice or service under a contract of insurance;
 - (ii) the Named Insured has held continuously medical indemnity insurance cover with Medical Insurance Australia for a period of at least 2 years; and
 - (iii) the Category is principally for private practice.
- (b) Medical Insurance Australia may require the payment of an additional premium for the cover provided by paragraph (a), based on the Insured's claims and practice history, in which case no cover is provided by paragraph (a) until such additional premium has been paid to Medical Insurance Australia.

Note: Under clause 4.16, the Insured may be entitled to a rebate of Premium in the event of a change to a lower risk Category.

2.16 Public Patients

Medical Insurance Australia agrees to indemnify the Insured in connection with Practice provided to a Public Patient that is not otherwise excluded by the Policy.

Note: Under clause 4.18, it is a condition of the Policy that the Named Insured comply with any request by Medical Insurance Australia to declare his or her Gross Income, distinguishing between Gross Income derived from Practice provided to Public Patients and Gross Income derived from Practice provided to other persons.

The Named Insured must provide to Medical Insurance Australia prior to the commencement date of the Policy any information Medical Insurance Australia reasonably requires as to whether the Named Insured must maintain his or her own insurance for health care treatment, advice or service provided to a Public Patient.

Under clause 5.27, no indemnity is provided if the Insured is entitled to indemnity from another source.

2.17 Liability for Complaints about Others

Medical Insurance Australia agrees to indemnify the Named Insured against legal liability for Claims and against Expenses that arise from the Named Insured having:

- (a) reported an incident and/or health care professional to a medical board, medical tribunal, professional college or association, hospital, health service, health authority, Medicare Australia, a health care complaints body, a health care ombudsman or other body responsible for the professional discipline of health care professionals; or
- (b) assisted in an investigation in relation to the incident or the reporting of an incident to any one or more of the bodies described in (a) above.

Division 3

Optional extension of cover

3.1 Innocent partner cover

Unless otherwise expressly provided, if this clause is listed as included in the Schedule and any additional premium is paid, Medical Insurance Australia agrees to provide indemnity against legal liability for any Claim first made against the Named Insured and first notified to Medical Insurance Australia in writing during the Period of Insurance and which arises from Practice after the Retroactive Date where:

- (a) the Claim does not arise from the provision of health care treatment, advice or service by the Named Insured but arises in connection with the practice of a medical profession by the Named Insured;

Conditions

Claims conditions

4.1 Claim notification

The Insured must provide written notice of each Claim and each intention to seek indemnity under any other cover provided by the Policy by providing particulars of the Claim or matter in respect of which indemnity is sought to Medical Insurance Australia as soon as possible and, in any event, during the Period of Insurance.

Note: The Insurance Contracts Act 1984 provides that if, after the end of the Period of Insurance, a claim is made against the Insured which arises from facts that might give rise to a Claim that the Insured notified to Medical Insurance Australia:

- in writing;
- as soon as reasonably practicable after the Insured became aware of them; and
- before the end of the Period of Insurance

then Medical Insurance Australia will provide cover in accordance with the terms and conditions of the Policy in respect of the claim against the Insured even if the claim was made after the end of the Period of Insurance.

Medical Insurance Australia continues to encourage all Insureds to notify any circumstance or incident which has the potential to lead to a claim as soon as they become aware of the circumstance or incident.

This note is for information purposes only and does not form part of the Policy.

4.2 Other insurance and Public Patients

In the event of:

- (a) a Claim;
- (b) the Insured incurring Expenses; or
- (c) circumstances which might give rise to an entitlement to indemnity under the Policy,

the Insured will provide written notice to Medical Insurance Australia of any other insurance or indemnity under which the Insured is entitled to a benefit in respect of the event referred to above.

Note: Under clause 5.27, no indemnity is provided if the Insured is entitled to indemnity from another source.

4.3 Admission or limitation of liability

The Insured must not admit liability for, compromise or assume any contractual liability or agree to reduce or limit the liability of any other party in relation to any Claim or circumstances in respect of which an entitlement to indemnity under the Policy may arise or has arisen without the prior written consent of Medical Insurance Australia, which consent will not be withheld unreasonably. This provision does not apply to any apology or expression of regret that an applicable statute specifies will not constitute an admission of liability.

4.4 Conduct of Claims

- (a) Medical Insurance Australia may, at any time and in the name of the Insured, take over the conduct of any Claim.
- (b) Medical Insurance Australia will take into consideration the views of the Named Insured in relation to the conduct of any Claim but Medical Insurance Australia will have full discretion in the conduct and settlement of any Claim.
- (c) If the Insured does not agree with a proposal by Medical Insurance Australia to settle a Claim, then the Insured will be entitled to conduct the defence of the Claim but Medical Insurance Australia will not be liable to indemnify the Insured for any amount greater than the amount of money for which Medical Insurance Australia could have settled the Claim, plus the Claim Costs to the date on which the Insured elected to contest the Claim, less the Deductible.

4.5 Subrogation

- (a) Medical Insurance Australia may, in the name of the Insured, pursue a right of contribution or indemnity that the Insured may have against any other person whether or not Medical Insurance Australia has paid any or all of a claim or other amounts covered by the Policy.

(continued on page 12)

- (b) The Insured must not, without the prior written consent of Medical Insurance Australia, engage in any conduct that has the effect of excluding, restricting or modifying any right of recovery that Medical Insurance Australia may have against another party.

4.6 Contesting Claims

Unless a Senior Counsel, instructed by agreement between the Insured and Medical Insurance Australia or, in the absence of such agreement, by Medical Insurance Australia, advises that a Claim should be contested, Medical Insurance Australia will not require the Insured to contest the Claim. The Senior Counsel will be instructed to provide the requested advice based on the economics of the Claim, the damages and costs likely to be recovered, the likely costs of the defence of the Claim and the prospects of successfully defending the Claim. The cost of the advice provided by the Senior Counsel will be part of the Claim Costs.

4.7 Claims co-operation – mitigation

The Insured will do, and allow to be done, everything reasonably practicable to reduce or avoid liability in respect of a Claim or circumstances which may give rise to an entitlement to indemnity under the Policy.

4.8 Claims co-operation – assistance

The Insured will provide Medical Insurance Australia, or any party that Medical Insurance Australia nominates, with all information, documents and assistance reasonably required by Medical Insurance Australia:

- (a) in relation to the investigation, defence or settlement of a Claim or circumstances which may give rise to an entitlement to indemnity under the Policy;
- (b) in relation to the pursuit of a subrogated right by Medical Insurance Australia; and
- (c) in order for Medical Insurance Australia to ascertain its liability to indemnify the Insured under the Policy,

and Medical Insurance Australia will not indemnify the Insured for the costs of complying with this condition except to the extent that such costs are:

- if cover under Division 1 Section 1 is listed as included in the Schedule, Claim Costs; or

4.12 Deductible – repayment

If Medical Insurance Australia pays an amount pursuant to an entitlement to indemnity under the Policy that includes a part of or all of the Deductible, or if Medical Insurance Australia believes that such a payment may be necessary to dispose of a Claim, the Named Insured will pay the Deductible, or equivalent part thereof, to Medical Insurance Australia upon request or within 14 days of request.

4.13 Deductible – costs inclusive

If the Policy states that a Deductible is inclusive of costs and expenses, the Named Insured will indemnify Medical Insurance Australia for Medical Insurance Australia's reasonable Claim Costs or Expenses, up to the amount of the Deductible, but the Named Insured will not indemnify Medical Insurance Australia for any costs incurred in determining Medical Insurance Australia's liability to indemnify the Insured.

4.14 Multiple Claims and Expenses

- (ii) the continuing run-off cover provided under the Policy for Claims arising from circumstances occurring prior to the date of the event.

- (b) Within 90 days of receipt of a notice referred to in paragraph (a), the Named Insured must provide Medical Insurance Australia with the written declaration required by the notice.

If the Named Insured does not provide the declaration, the information or the assistance required, Medical Insurance Australia may, at its discretion and at the Insured's cost, audit the Named Insured's Gross Income or sessions (as the case may be) for the Period of Insurance.
- (d) Medical Insurance Australia may adjust the Premium based on a comparison of the Named Insured's declaration provided under this clause with the estimated Gross Income or sessions disclosed by the Named Insured in the renewal or application form for the Policy. If the Premium is adjusted, the Insured will pay to Medical Insurance Australia the amount of any increase in the Premium and Medical Insurance Australia will pay to the Insured the amount of any decrease in the Premium, unless the adjustment of the Premium is less than \$50 (exclusive of administrative fees, duties and taxes) in which case neither the Insured nor Medical Insurance Australia will be liable to pay to the other the adjustment.

4.19 Practice review

- (b) It is also a condition of the Policy that the Insured must:
- (i) immediately pay any premium owing to Medical Insurance Australia in relation to any prior policy of insurance issued to the Insured as and when it falls due for payment; and
