How to read this Policy

We will cover You for:

- Claims, Claim Costs and Expenses described in Section 1; and
- additional matters described in Section 2,

that arise out of Midwifery Services that You provide as an Eligible Midwife.

However, We may refuse or reduce Your cover if You do not comply with obligations set out in Section 3 in relation to Claims and with the general obligations set out in Section 4.

We do not cover You for the matters excluded by Section 5.

If You do not pay Your Premium in full when due, this Policy will not commence and You will have no entitlement to cover.

Our liability to cover You is limited by:

- the Limit of Cover;
- any Sub-Limit of Cover; and
- any Deductible.

Important:

- The Policy terms and conditions and Your premium have been determined by Us after taking into account, and in reliance on, Your representation of the Midwifery Services that You provide and intend to provide
- The Schedule records Your Midwifery Services as either:
 - Option A – antenatal care, Intrapartum Care, and postnatal care; or
 - Option B – antenatal care and postnatal care only but **no** Intrapartum Care
- If You have selected Option B but You intend to provide Intrapartum Care then You must immediately advise Us and the additional premium advised to You must be paid prior to You providing any such Intrapartum Care.
- If You have selected Option B and You provide Intrapartum Care but, before doing so, You did not notify Us or You did not pay the additional premium, We may cancel the Policy or We may be entitled to avoid the Policy from the beginning and treat it as if it was never issued to You, in which case You will have **no** entitlement to indemnity from Us **not only** for Intrapartum Care but also for any antenatal care or postnatal care that You have provided.

The following words have special meanings when used in this Policy.

To be covered under this clause, the complaint, investigation, proceeding or assessment must arise out of the provision by You of Midwifery Services as an Eligible Midwife after the Retroactive Date, the circumstances of which You first notify Us in writing during the Period of Insurance.

2.3 Telehealth

We agree to cover You for legal liability for any Claim and for Expenses arising out of Midwifery Services You provide via telehealth if, at the time of the Midwifery Services out of which the covered matter arises, You and the telehealth patient are both within the Commonwealth of Australia.

No cover is provided for any Claim or Expenses arising out of Midwifery Services You provide via telehealth:

- (a) that is not conducted in accordance with any applicable law, lawful requirement issued by a government or statutory authority or guidelines issued by a professional college or association or a health practitioner board responsible for Your professional discipline or registration; or
- (b) where information relating to the telehealth patient is communicated electronically (including by email, webchat, social media or messaging apps) for the purpose of Midwifery Services You provide (including referring the telehealth patient to another practitioner, providing a medical certificate or writing a prescription) other than where:
 - (i) Midwifery Services are provided during the initial patient consultation via real-time telehealth technologies (including telephone consultation or video call technologies such as Zoom, Teams, FaceTime or similar), or
 - (ii) You and the telehealth patient have a pre-existing clinical relationship (not based solely on Midwifery Services via telehealth); or
 - (iii) You are given prior access to the medical records of the telehealth patient by another practitioner, practice or hospital with whom or which the telehealth patient has a pre-existing clinical relationship (not based solely on Midwifery Services via telehealth).

For the purposes of this clause:

- (i) **telehealth** means midwifery services, care, treatment, advice, or goods provided in respect of the physical or mental health of a person using information and communication technologies whether or not in real time; and
- (ii) **telehealth patient** means the individual to whom You provide midwifery services, care, treatment, advice, or goods in respect of the physical or mental health of a person via telehealth.

Notes:

3.1 Notification

You must notify Us in writing of each Claim and each other matter for which You seek or intend to seek cover under the Policy by providing particulars of the Claim or matter to Us as soon as possible and, in any event, during the Period of Insurance.

Note: The Insurance Contracts Act 1984 provides that if, after the end of the Period of Insurance, a claim is made against You which arises out of facts that might give rise to a claim that You notified to Us:

- in writing;
- as soon as reasonably practicable after You became aware of them; and
- before the end of the Period of Insurance

then We will provide cover in accordance with the terms and conditions of the Policy in respect of the claim against You even if the claim was made after the end of the Period of Insurance.

We continue to encourage every Eligible Midwife to notify any circumstance or incident which has the potential to lead to a claim as soon as they become aware of the circumstance or incident.

This note is for information purposes only and does not form part of the Policy.

3.2 Other insurance or indemnity

In the event of:

- (a) a Claim;
- (b) You incurring Expenses; or
- (c) circumstances which might give rise to an entitlement to cover under the Policy,

You must notify Us in writing of any other insurance or indemnity under which You are entitled to a benefit in respect of the event referred to above.

Note: Under clause 5.32, no cover is provided if You are entitled to indemnity from another source.

3.3 Admission or limitation of liability

You must not, without Our prior written consent, admit liability for, compromise or assume any contractual liability or agree to reduce or limit the liability of any other person in relation to any matter for which You may have an entitlement to cover under the Policy. We will not withhold Our consent unreasonably. This provision does not apply to any apology or expression of regret that an applicable statute specifies will not constitute an admission of liability.

3.4 Conduct

- (a) We may, at any time and in Your name, take over the conduct of any Claim, or other matter covered under the Policy, or of circumstances which may give rise to an entitlement to cover under the Policy, including by appointing a lawyer to represent You. You must assist any lawyer appointed by Us to act in relation to any Claim or other matter and You must not direct, or purport to direct, the lawyer to cease to represent You without Our prior written consent.
- (b) We will take into consideration Your views in relation to the conduct of any Claim or other matter but We will have full discretion in its conduct and settlement or resolution.
- (c) If You do not agree with a proposal by Us to settle a Claim or to resolve a matter covered by the Policy, then You will be entitled to assume the conduct of the Claim or matter but We will not cover You for any amount greater than the amount of money (including Claim Costs and Expenses) for which We believe that We could have settled the Claim or resolved the matter as at the date on which You elected to assume conduct.

3.5 Subrogation

- (a) We may, in Your name, pursue a right of contribution or indemnity that You may have against any other person whether or not We have paid any or all of a Claim or other matter covered by the Policy.
- (b) You must not, without Our prior written consent, engage in any conduct that has the effect of excluding, restricting, or modifying any right of recovery that We may have against another person.

Section 3**How We will conduct Claims and other proceedings and what You must do****3.6 Mitigation, co-operation and assistance**

- (a) You will do, and allow to be done, everything reasonably practicable to reduce or avoid liability in respect of a Claim or other matter covered under the Policy or circumstances which may give rise to an entitlement to cover under the Policy.
- (b) You will provide Us, or any person that We nominate, with all information, documents and assistance reasonably required by Us:
 - (i) in relation to the investigation, defence or settlement of a Claim or other matter or circumstances which may give rise to an entitlement to cover under the Policy;
 - (ii) in relation to the pursuit of a subrogated right by Us; and
 - (iii) in order for Us to ascertain Our liability to cover You under the Policy,
 and We will not cover You for the costs of complying with this condition except to the extent that such costs are Claim Costs or Expenses.

3.7 Advances

We may, but are not required to, advance Claim Costs or Expenses to You prior to the completion (including any appeal) of any proceedings or other matters covered by the Policy on such terms and conditions as We see fit, and having regard to relevant matters including Our assessment as to whether You have reasonable prospects of success in relation to the Claim or matter, which may change during the course of the proceeding or other matter. We may, but are not required to, seek independent legal advice in assessing Your prospects of success. In the event that You are not entitled to cover, any Claim Costs and Expenses advanced to You and any interest chargeable must be repaid by You to Us on such terms and conditions as are specified by Us.

3.8 Appeals and matters instigated by You

We will not cover You for any matter instigated by You (including an appeal or the defence of an appeal against a decision of a court, tribunal, the Board, or other body responsible for the professional discipline of midwives, professional college or association, health authority, private health insurer, Services Australia in relation to Medicare, a health care complaints body or a health care ombudsman) unless:

- (a) in the case of an appeal or response to an appeal, You have given Us 7 days' written notice prior to first making the appeal or lodging any defence or response to the appeal;
- (b) in any other case, You have given Us 28 days' written notice prior to first taking any steps in the matter; and
- (c) in each case, We have formed the opinion that there are reasonable prospects of success in relation to the matter and We continue to hold that opinion during the course of the matter.

If We have not formed an opinion as required by paragraph (c) prior to the time on which an appeal must be made, a defence lodged, a response made to an appeal or the time by which the first steps in the matter must be taken then We will not be taken to have formed a favourable view unless We do so subsequently. We may, but are not required to, seek independent legal advice in assessing Your prospects of success.

3.9 Criminal convictions

If You are found guilty of, or admit, any crime then You will have no cover in respect of that matter (including in relation to any appeal) and any moneys advanced by Us in respect of that matter (together with any applicable interest) will immediately become due and payable to Us.

4.1 Limit of Cover and Commonwealth Contributions

The Limit of Cover under the Policy for any Claim, Claim Cost or Expense is \$2,000,000 and Our liability to cover You is further limited as set out in this clause:

- (a) We have entered into an agreement with the Commonwealth under which the Commonwealth has agreed to make a contribution (a **Commonwealth Contribution**) towards certain Claims, Claim Costs and Expenses which meet the 'common requirements' of the Midwife Professional Indemnity (Commonwealth Contribution) Scheme Act 2010 or which relate to certain Intrapartum Care described in clause 5.7. Commonwealth Contributions may be less than the total amount of a Claim, Claim Cost or Expense where the legislation applies a 'Level 1 Claim Threshold' (a **Threshold**) or where the Commonwealth considers another person is also liable for the covered matter and issues a certificate to Us specifying Your proportion of the total liability (an **Apportionment Certificate**).

Notes:

1. Refer to the Product Disclosure Statement for more information about how Commonwealth Contributions, Thresholds and Apportionment Certificates are applied to claims;
 2. Thresholds and Apportionment Certificates do not apply to claims relating to certain Intrapartum Care described in clause 5.7.
- (b) If a Threshold applies but a Claim, Claim Cost or Expense does not exceed the Threshold, then Our liability for the Claim, Claim Cost or Expense will not exceed the Threshold.
- (c) If a Threshold applies and a Claim, Claim Cost or Expense exceeds the Threshold:
- (i) if We have not received a Commonwealth Contribution for it, then We will not be liable to make any payment under the Policy in relation to that Claim, Claim Cost or Expense; or
 - (ii) if We have received a Commonwealth Contribution for it, then:
 - (A) Our liability for the Claim, Claim Cost or Expense will be equal to the sum of the Threshold plus 20% of the amount by which the Claim, Claim Cost or Expense exceeds the Threshold; and
 - (B) the Commonwealth Contribution will be applied to the remaining 80% of the amount by which the Claim, Claim Cost or Expense exceeds the Level 1 Claim Threshold, but the Policy will not provide any cover for that part of any Claim, Claim Cost or Expense that exceeds \$2,000,000.
- (d) if the Commonwealth has issued an Apportionment Certificate in relation to the Claim, Claim Cost or Expense, then the Limit of Cover under the Policy for the Claim, Claim Cost or Expense will not exceed Your proportion of the overall liability specified in the Apportionment Certificate.
- (e) If We are liable to the Commonwealth for an overpayment of a Commonwealth Contribution in relation to a Claim, Claim Cost or Expense, You are liable to Us for the amount of the overpayment and must pay it to Us in accordance with Our directions or, if so directed, to the Commonwealth.
- (f) Any payment by Us to a person in respect of a matter that might give rise to a Claim is taken to be a payment made to settle a Claim.

4.2 Material change in risk

You will provide immediate notice to Us of any temporary or permanent material change affecting You or Your Midwifery Services during the Period of Insurance including, but not limited to:

- (a) if You become bankrupt within the meaning of that term in the Bankruptcy Act 1966;
- (b) any change to the State or Territory in which You provide Midwifery Services;
- (c) any de-registration, suspension or restriction of Your registration with the Board;
- (d) if You provide, or intend to provide, Midwifery Services outside a Context of Practice which You specified when applying for endorsement by the Board; and
- (e) if the Schedule records Your Midwifery Services as Option B, any decision by You to provide Intrapartum Care, and You or Your legal personal representative will immediately notify Us if during or after the Period of Insurance, if You:
- (f) permanently retire from private practice;
- (g) cease (temporarily or permanently) private practice because of maternity, permanent disability or death;
- (h) a change in Your employment status, including if You cease to provide Midwifery Services as an employee of an employer recorded in the Schedule.

Notes:

Notifying Us that You have retired from practice or ceased practice will assist Us to arrange run-off cover for You.

Notifying Us that You have changed employers will enable Us to let You know if We can arrange for Your cover to continue in Your new role and, if so, whether an additional Premium will apply.

Section 4 Additional obligations for You and Us

4.3 Material change in risk – adjustment of Premium

- (a) In the event of a change notifiable under clause 4.2 that, in Our opinion, decreases the risk insured by the Policy, We may agree to rebate part of the Premium having regard to:
 - (i) Our customary short term rates; and
 - (ii) the continuing run-off cover provided under the Policy for Claims , Claims Costs and Expenses arising out of circumstances occurring prior to the date of the event.
- (b) We may apply any rebate of the Premium to offset, wholly or partly, any outstanding amount that You owe to Us, whether or not in connection with this Policy.

Note: The maximum annual cost of the insurance, including premium and all charges is fixed by agreement with the Commonwealth at \$7,500, excluding the cost of any premium funding arrangement You may enter into.

4.4 Cancellation

- (a) We may cancel the Policy as permitted by the Insurance Contracts Act 1984, in which event We may agree to rebate part of the Premium having regard to Our customary short term rates. You acknowledge that We may notify the Board and the Commonwealth of Our intention to cancel the Policy. If You are paying the Premium by instalments We will cancel the Policy if an instalment payment is one month or more late.
- (b) Other than where the Policy is cancelled during the cooling-off period, You may cancel the Policy at any time by providing Us with notice in writing.
