

Risk Management Conference

Contemporary and thought-provoking risk management education presented in an interactive environment and designed specifically for doctors.

You won't want to miss this event!

Join your colleagues for our half-day Conference offering a brand new Hypothetical and a choice of Workshops.

Treating Miss Daisy **NEW**

An interactive Claims Hypothetical moderated by Professor Guy Maddern will, with the support of an expert panel, explore the complexity of treating the elderly, with a focus on when and how to treat (the question of frailty), the consenting process, advanced care directives, medication management, de-prescribing and elder abuse.

"Always a highlight of the year, one of my must attends!"

Geriatrician, Adelaide

"Excellent and most topical...as always, very good "

Orthopaedic surgeon, Sydney

Attendance worth 10 MIGA Risk Management Points

MIGA clients earn a 10% insurance premium discount
