

Manage your risk **and** reduce your insurance premiums by 10%

About the Program

MIGA's Risk Management Program offers you access to a wide range of educational tools and support and a 10% premium discount on completion¹.

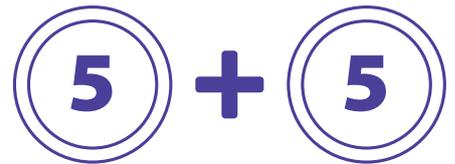

It is available at no charge for midwives insured with MIGA and there are a number of options for how you can complete the Program each year. You are already automatically enrolled in the Program so we hope this information will help you plan your activities for the 2021/2022 year.

Why is the Risk Management Program important?

The Program gives you access to tools and resources to support you in managing day to day risks in your practice.

In addition to the premium discount and the ability to claim CPD points, we believe the Program will assist you with:

- Making improvements in managing risk in your practice
- Reducing your exposure or vulnerability to complaints and claims
- Improving outcomes for women you care for
- Avoiding the stress and pressure of the claims process
- Valuable resources, tips and tools for your day-to-day practice
- Access to a source of advice when issues arise within your practice
- Connecting you with colleagues and learning from their experiences.

2 activities worth
5 points each
= a 10% premium
discount!

See overleaf for more details

¹ The risk management discount applies to the insurance premium at your next renewal and not to other charges such as membership fees, GST, ROCS levy or stamp duty. [Risk Management Terms and Conditions](#) apply.

The Program for 2021/2022

COVID-19 has brought with it many challenges and changes to how we are all functioning on a day-to-day basis.

However, we continue to offer Workshops online and provide plenty of other opportunities to complete self-directed activities online via REO (Risk Education Online).

We will be communicating with you over the next few months to keep you up to date with what's on offer. In the meantime here is a summary of activities available to you online.

Each activity below is worth 5 Points, so completing 2 activities by 31 March 2022 entitles you to your 10% premium discount¹ when you renew with MIGA in June 2022. Many activities also entitle you to CPD points with the Australian College of Midwives.

Workshops

Workshop topics are varied; with up to 5 to choose from. They are live (conducted via a virtual classroom), 2 hours long and you can participate from anywhere, on any internet connected device.

Modules

A range of online Modules are available, with some being specialty specific. You will definitely find something that is relevant to you. Make your way through the Module, in your own time. Each takes about 2 hours to complete.

Practice Reviews

Spend some valuable time investigating the risks in your practice with our Practice Self-Assessment and Action Plan. Submit a Practice Self-Assessment to help identify the vulnerabilities in your practice and make improvements in your practice to close the quality cycle.

External Activities

Alternatively, you can complete an activity offered by your College and other education providers, which has been accredited by MIGA. Check the list of current activities in REO. Please let us know if you are attending an event that is not on the list but that relates to Risk Management.

How to get started

We are happy to guide you each step of the way, even if you've got no experience in online education. Don't hesitate to give this a go – we are here to help!

Get started now! Log in at reo.miga.com.au

2 activities worth
5 points each
= a 10% premium
discount!

Completing the 2 activities also satisfies the Condition of your insurance with MIGA, that you complete our Risk Management Program.

If you need more information, advice, or assistance, please contact Jane or Kerry-Ann on 1800 777 156 or at reo@miga.com.au.
